Bridging Hypertension Across the Americas

The 2024 Gordon Research Conference (GRC) and Gordon Research Seminar (GRS) on Angiotensin will be held at the Renaissance Tuscany Il Ciocco Resort & Spa in Barga, Italy.

The conference will take place over six days, starting on February 25, 2024. The conference will focus on the latest Renin-Angiotensin-Aldosterone System (RAAS) advances.

The IASH is sponsoring two (2) travel grants of Latin American clinical or basic science investigators whose abstract is selected to be presented at the meeting. Candidates must reside in any Latin American country. Members of the IASH Executive Committee are not eligible to apply for this grant.

Applications for this meeting must be submitted by January 28, 2024.
